Re: *Goldstein v. County of Suffolk, et al.*
Docket #: 2:23-cv-00051 (JMA) (LGD)

Dear Magistrate Judge Dunst,

The parties are in receipt of the Court's scheduling order indicating that the parties shall file a stipulation of dismissal by June 28, 2023. The parties jointly submit this letter to ask for additional time in which to file this stipulation. Although the parties have reached a settlement in principle, the proposed settlement requires the approval of the Suffolk County Legislature's Ways and Means Committee. The County expects to present the proposed settlement for approval at the Committee's next meeting on July 20, 2023. Should the settlement receive the Committee's approval, there will be additional paperwork required to ensure the execution of the terms of the settlement. Accordingly, the parties jointly ask that the Court modify its scheduling order to require the filing of a stipulation of dismissal by September 11, 2023.

We thank the Court for its consideration.

Respectfully submitted,

/s/ Marc Lindemann
